

LANGTOFT PRIMARY SCHOOL

FRENCH

OUR INTENT FOR FRENCH

MFL teaching at Langtoft Primary School aims to give all children a strong understanding of the world around them whilst acquiring specific skills and knowledge to help them understand and speak languages unfamiliar to them, particularly French. Our curriculum enables children's curiosity, questioning and a willingness to learn a new language. This in turn ensures that our children are confident, life-long learners who will explore the world around them.

Our MFL Curriculum Aims:

- to develop our pupils' understanding and response to spoken and written language from a variety of authentic sources;
- To develop our pupils' speaking with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation;
- to enable our pupils to be able to write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt;
- to enable pupils to discover and develop an appreciation of a range of writing in the language studied – French;
- To develop our pupils' enthusiasm and enjoyment of cultural learning and discovery.

IMPLEMENTATION

Our French curriculum is delivered through the Kapow scheme which identifies 6 strands that run throughout the scheme of work: speaking and pronunciation; listening; reading and writing; grammar; intercultural understanding. It reflects a high-quality MFL education which fosters pupils' curiosity and deepen their understanding of the world.

MFL is taught consistently, once a week, in all KS2 classes but is also something that KS1 will use to ensure diversity through the taking of the register in different languages, or greeting children and families using visual and non-visual and written aids in a range of languages. Teachers assess children's work in MFL by making formative and summative assessments throughout the school year.

In lessons, vocabulary is taught discretely, but always with the aim of moving from simple recall of a word to a deeper understanding of how it is used in the context of sentence structure and grammar. Individual items of vocabulary need to be understood, learned, recalled, re-encountered and recycled in different topics and in different sentence forms as pupils progress in their understanding of language and grammar.

IMPACT

MFL develops pupils' knowledge and skills across the curriculum, ability to understand, say, read and write familiar spoken words and phrases; ability to answer questions and give basic information in a new language; understanding pronunciation and awareness of sound patterns in French; develop an understanding of the main points and personal responses in short written texts; ability to read independently selecting simple texts and using a bilingual dictionary or glossary to look up new words; ability to take part in simple conversations using cues and expressing opinions; using knowledge of grammar to adapt and substitute single words and phrases.

The teaching of MFL encourages pupils to: understanding the world through the learning of new cultures and languages; recognise the power of rational explanation; develop a sense of excitement and curiosity about the world around them; understand how language can be used to explain what is occurring.

The teaching of MFL enhances pupils' awareness and understanding of the world around them as well as the future and the importance of a multi-cultural society; ability to reflect on, consider, analyse, interpret and evaluate language and grammatical differences.

Examples of curriculum intent:

- High standards of expectations which are the same as core subjects
- Use precise and technical vocabulary to extend children's knowledge
- Encourage children to converse independently in French
- MFL day to be planned for 2022-2023
- Engaging MFL displays within the school to incorporate children's learning so far
- Knowledge organiser quizzes at the end of each subject
- Children enjoy the Kapow programme of study which has lots of reading opportunities
- Listening to children's opinions and sharing their ideas (BV)
- Taking turns (BV)
- Promoting cultural values and traditions of other countries and global citizenship (BV)
- Having an appreciation of the country of the language we are learning and studying (BV)
- Reflecting on other cultures and ways of life and embracing the socio-cultural differences and contexts
- Remain open to the world around us and have a better grasp of the links and connections between countries and societies
- Researching famous people from all over the world and understanding their backgrounds, where they came from, their home life and early childhood
