

Year 3

Autumn term 2 2022

English

Exploring free verse poetry before understanding explanation texts and writing our own. We then revisit narrative writing using *Belonging* by Jeannie Baker as an inspiration.

Art

Using colour mixing to create a tints, tones and shades of colours. Research and develop our own cave paintings.

Computing

Desktop publishing – to use publishing skills to create an explanation text.
Online Safety – Project Evolve. We shall be exploring online relationships and trust.

Maths

To recap on finding 1, 10 and 100 more and less before using column addition and subtraction. Times tables involving 3s and 4s.

**Drivers-
resilient,
independent,
inquisitive,
global citizens.**

ROCK OF AGES

We will be exploring what life was like during the Bronze and Iron age.

Science

We shall investigate types of forces and how they are affected. Magnets and identifying which metals are magnetic before devising investigations to determine magnet strength.

Religious Education

Finding out about Hinduism, deities and key figures described in Hindu sacred texts and stories.

Exploring Christianity, the symbols, language and worship.

Geography

We will be focussing on Skara Brae whilst exploring how land use has changed over time.

Music – Glockenspiel Stage 1 - exploring and developing playing.

P.E – Golf and dance.

Languages – French.
