

Year 1

Term 4

English

This term we will be using our imaginations to write our own story with familiar settings. To help us with this we will be using the picture book *Journey* by Aaron Becker. In our next unit we will be reading *Funny Bones* by Janet and Allan Ahlberg to help us write a story with a predictable pattern and using what we have learnt in science about our senses to write a sense poem.

Art

In Art we will be taking part in Art Day where we will be producing artwork linked to our picture book *Journey* by Aaron Becker. We will also be producing self-portraits and some sensory artwork.

History

In History we will be comparing hospitals in the past to today's hospitals to build our understanding of important changes that have happened and the effects these have had.

Maths

In Maths we will be completing our topic Place Value within 50, then moving on to Measurement where we will be learning about Length and Height, and Weight and Volume.

Hospital Heroes

This term we will explore and find out about a variety of people associated with hospitals and learn about the lives of significant individuals from the past such as Edith Cavell and Florence Nightingale.

PSHE

In PSHE our topic is 'Healthy Me'. We will be learning about how we can be healthy through healthy eating, being physically active and keeping ourselves safe.

PE

Our PE topics this term are Yoga and Invasion. In invasion children will develop the skills required in invasion games such as sending, receiving, and dribbling a ball. They will also develop an understanding of attacking, defending, and playing to the

Design Technology

In DT we will be investigating, designing, and making our own fruit salads and learning about being healthy.

Science

In science we will be learning all about our bodies. We will be identifying, naming, drawing, and labelling the basic parts of the human body and learning which part of the body are associated with each sense.

Key drivers

To learn about the importance of looking after ourselves.

Music - In Music we will be building on what we have learnt about Pulse, rhythm and pitch, rapping, dancing and singing in our unit Round and Round.

RE - We will continue to learn about Islam. We will be finding out about how Muslims express their beliefs and which celebrations are important to them.

Computing - In computing we will be developing our understanding of what technology is and how it helps us in our daily lives.
