

Year 2

Term 6: How were holidays different in the past?

Our class texts:

English

We will be using our class text, *The Lighthouse Keeper's Lunch* to write our own story from the Seagull's point of view. We will then be reading and writing poetry linked to our work about the seaside. We will use the short film 'The Lighthouse' to develop our descriptive writing.

Geography

In our learning about the coast, we will be exploring the physical and human features we would expect to find there.

Science

We will continue our work about life processes and living things. This term we will focus on life cycles and food chains. We will learn more about ocean habitats and the fascinating creatures that live there.

PSHE: Changing Me

We will learn about the human life cycle and about the physical differences between male and female bodies.

Religious Education

We will be learning about how some people talk to God.

Maths

We will be learning how to create and interpret pictograms and bar charts linked to weather. We will also be learning how to measure temperatures using a thermometer.

Computing: Making Music.

We will learn how to use computers to make music and compare how to create music digitally and non-digitally.

Art

We will be exploring how we can create different textures. We will look at seaside images from different artists before creating our own collage of the seaside.

Music: In music, we will be consolidating our learning from this year and creating our own compositions.

Design and Technology

We will be designing and then making our own healthy wraps.

PE:

We will be developing our skills relating to athletics. We will also be taking part in team-building activities.

History

We will be using sources to discover more about what holidays were like in the past. We will learn all about Grace Darling, finding out what her life was like and why she became famous.
