

Year 3

Spring term 2023 part 2

English

Discussion, performance and construction of poetry related to animals in groups and as a whole class. Create non-chronological reports, using rainforest creatures as our inspiration.

Art

Starting with sketching of a human skeleton before progressing onto the human skull with the use of charcoal. Leonardo Da Vinci will be our inspiration.

Computing

Branching databases - learners will create physical and on-screen branching databases and **programming** through Scratch sequences.

Maths

To explore length and perimeter using a ruler with mm, cm and m. To use fractions and compare them to their equivalent.

HOW HEALTHY IS OUR PLANET?

We will be exploring rainforests around the world, the living things within them and the key role they play in our lives. We shall discover key issues and identify how to support our planet in staying healthy.

**Drivers-
resilient,
independent,
inquisitive,
global citizens.**

Religious Education Islam

What do the main concepts in Islam reveal about the nature of Allah?
What is the purpose of visual symbols in a mosque?

Geography

What if there were no rainforests?

Initiate geographical questions in relation to their enquiry. They record information in a range of forms.
Compare life in the Amazon to life in UK.

Science

Animals including humans will be the main focus this term, looking at nutrients in food used to produce and maintain muscle and skeletons of creatures within the rainforest.

Music – The Dragon song- sing, play, improvise and compose.

P.E – Tag Rugby and Netball.

Languages - French
