

Year group: 4

Term 2

### English

This term, we will be reading *The Boy Who Biked the World Part 2*. We will use this text as our stimulus for both Guided Reading and English writing lessons. We will be writing Explanation Texts, Persuasive Texts and Information Texts. Later in the term, we will be looking at Performance Poetry. We will continue to develop our study around the Year 4 grammar.

### Geography –

In Geography, we will be studying the continent of North America. We will learn about the physical features and climate variations across the continent. Using this information, we will make comparisons with the United Kingdom. We will also study the formation of volcanoes and find out how earthquakes occur.

### Maths –

In mathematics this term, we will be finishing our addition and subtraction unit. We will move on to Area and then to Multiplication and Division. We will continue to develop our fluency around times tables, focusing on all 12

### Design and Technology -

In our DT sessions, we will be learning a basic biscuit recipe and then adapting it for a new audience, considering the cost of ingredients and other expenses, and trying to keep to a set budget.

Key drivers –  
Independent  
learning.

### Music – Glockenspiel Skills

P.E. – Hockey and Swimming

Languages- Spanish – Pets in Spanish

R.E. – What Makes a Text Sacred?

P.S.H.E. – Celebrating Differences

### ICT –

In our computing sessions this term, we will be learning all about digital media and how to manipulate and use photographs. We will learn how to crop, rotate and alter digital images.

### Science

This term we will begin our topic on electricity. We will continue to build our knowledge of circuits with switches and experiment further with conductors and insulators.
