

Year Group: 4

Term 1

English

We begin the term by exploring Ancient Greek Mythology. We will be writing our own character descriptions before writing our own Greek Myths. Towards the end of the term, we will be learning about explanation texts and how they differ from other types of information texts. We will study the structure and composition before writing our own.

Art -

In Art sessions, we will be studying Ancient Greek artwork, pottery and sculpture. We will see how much this style of art has influenced modern day pieces.

Maths

This term we will be focussing on place value. We will be introducing thousands and learning how to represent numbers with up to 4 digits. We will also be learning how to round numbers with up to 4 digits to the nearest 10, 100 and 1000.

History

In History, we will be delving into the past to discover more about the Ancient Greek civilisation. We will be investigating democracy, the Olympic games and famous Ancient Greek philosophers and scientists to answer the question, 'What did the Ancient Greeks do for us?'

Gods and Mortals

Step back in history to discover what life was like in Ancient Greek times.

**Key drivers -
Independent
learning.**

ICT - Creating Media

In ICT sessions, we are going to be exploring how to create media with audio editing. We will have a go at making our own podcasts.

Science

This term we will be learning about Sound. We will discover how sound is made and how it travels so that we can hear it. We will be experimenting with sound waves, making string telephones and observing vibrations in water. We will also be looking at the inner ear.

Music - Mamma Mia

P.E - Netball and Tennis

Languages - Spanish

R.E - Are All Religions Equal?

PSHE - Being Me In My World
