

We hope that you have enjoyed looking at this booklet.

We can't wait to see you soon!

Ambition ~ Independence ~ Cooperation ~ Consideration ~ Confidence ~ Resilience ~ Respect

Welcome to Langtoft Primary School

This booklet will help you to learn about what happens when you start school.

Meet the Grown Ups

I am your teacher. My name is Mrs Ellis.
I will help you learn while you are at school.

We are your teaching assistants and we also
help you learn.

Mrs Hudson

Mrs Redman

When you arrive at school these are the things that you do:

1. Put your drink on the
trolley. (Your lunch box
too if you bring one).

Special things that happen at school:

When we have settled in we will go to assembly
in the school hall.
We listen to stories and sing songs.

You will be in a team
called a 'house'.

You will be in the **Red**,
Green, **Yellow** or **Blue**
house.

Using the toilets

There are toilets just for the children in our class.

Don't forget to flush the toilet!

Then wash your hands with soap and water.

Drying your hands can be a bit noisy! We have paper towels too.

3. Find your name on a monkey and put him in the trees.

2. Put your book bag and coat in your locker.

You have a book bag that you bring to school every day. You keep your reading books in it.

4. We sit down on the carpet and I will take the register.

I say, 'Good morning' to you and you say 'Good morning' to me.

This is how we learn:

1. Sometimes we all learn together...

2. ...and sometimes we learn as a group.

11. Each day we go into the hall to eat our lunch.

You might have a cooked dinner or a packed lunch.

12. At the end of each day we line up ready to go home.

9. We have P.E. lessons inside and outside in our P.E. kits.

10. Each morning we have milk or water and a healthy snack. You can bring your own snack or have a piece of fruit from school.

2. Sometimes we learn inside...

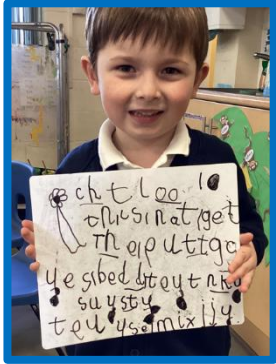

3. ... and sometimes we learn outside.

What shall we learn?

a. We learn to recognise letters and read words. We love sharing stories.

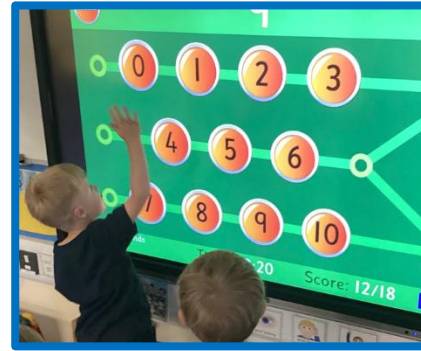

b. We learn to write letters and then words.

d. We pretend and use our imaginations.

c. We learn about numbers and shapes.

f. We build models and work as a team. We learn to share and take turns.

h. We paint pictures and get creative with loose parts and cutting and sticking!

e. We draw and make things. We learn how to use our smartboard.

g. We explore jelly, playdough, clay, cornflower and shaving foam! Getting messy is fun!
