School Closure – Update #10

Thursday 28 May 2020

Our new motto: ‘Be smart! 2 metres apart.’

This update outlines the plans for week beginning 1 June 2020.

Next update due on Thursday 4 June 2020.

PREPARING FOR NEXT WEEK

Thank you to the parents of children in EYFS, Y1 and Y6, children who have a Social Worker or an Education Health Care Plan and those of you who are Critical Workers for responding to the ParentMail form and indicating your intention to return – or not to return – your child to school next week.

I have been able to accommodate everyone’s request in the form of six bubbles;

- ◆ A ‘bubble’ of Critical Workers’ children (Mondays to Fridays)
- ◆ Two ‘bubbles’ of EYFS children
- ◆ A Y1 ‘bubble’
- ◆ Two Y6 ‘bubbles’ – although these will need to spill out in to the library area. I thought that was better than to have to say ‘no’ to four children.

If you have indicated that your child is going to return next week, you will shortly receive, via ParentMail a ‘What to do’ letter, outlining such points as: the time your child should arrive at school; which entrance to use; what to bring/not bring to school. If you are expecting to receive such a letter but do not by 4pm this afternoon, please telephone the school and let me know.

WHAT HAPPENS TO THOSE CHILDREN NOT RETURNING TO SCHOOL NEXT WEEK?

- ◆ Class teachers will continue to send home via ParentMail suggestions for home learning. These will be sent on Fridays – as usual – and a *Monday Morning Message* will be waiting – as usual – on Monday mornings.
- ◆ There will still be a Friday Assembly at 2:45pm.
- ◆ The best examples of home learning can still be posted on Seesaw. Here is where there will be a change. As some teachers will now be back in the classroom, there will not be as many opportunities as there has been for them to respond to Seesaw. There may be just one comment per week.

SPORTING SUCCESS

Even with the school closed, our children have continued to excel in sport with many of them taking part in the School Games Virtual Primary Challenge. (I have been sending information

about each Challenge each fortnight. The latest challenge is tennis-based – see ParentMail on Tuesday.)

I am delighted to announce that our school came **FIRST** in the Home Pentathlon Challenge – the first of the challenges. Alfie and Bella from Y3 won the Y3/4 category and will be going on to represent our school in the County Finals on 1 July. Thank you to everyone who took part. Let us cheer on the finalists ahead of 1 July.

It is not too late to enter the latest Challenge. Can you spot Mrs Graves and Mrs Hudson demonstrating the Challenge [here](#)? (The link will take you to Facebook.)

The information below is unchanged from last week:

NEED HELP?

If you are struggling with supporting your child with a particular area of learning (and 'google' hasn't provided the answer!), please be reminded that you can ask for help by emailing me at enquiries@langtoft.lincs.sch.uk State your child's name, year group and outline your problem. I can then forward this to your child's teacher/s who will be happy to help where they can. Please expect a reply in about two days.

KEEPING SAFE

With online activity likely to have increased during the lockdown, now is probably a good time to have another chat with your children about how they keep themselves safe online. I have updated our eSafety page on the school website.
