CAROLS ON THE PLAYGROUND

Due to limiting the interactions of pupils and staff in school this week unfortunately, we felt it was no longer appropriate to hold our Christingle service in the church this morning.

However, our **Carols on the Playground is still happening** as this enables to everyone to space out and takes place outdoors. We invite parents to attend from **2:50pm** and we would kindly request that all adults wear a face covering when on the school site and respect social distancing.

NEW PE KIT AND SPRING TERM TIMETABLE

We are pleased to announce that we have introduced a new PE hoodie which is available from the Shotbowl shop and website now. Whilst, there is no expectation for parents to purchase one, we made the decision to introduce a PE hoodie for the children so there is a clear distinction between school and PE uniform and to ensure the children are easily identifiable when we are out at sporting competitions and events.

Please find below details of PE days for the spring term. Children should come dressed in the correct PE uniform (blue joggers/shorts, t-shirt and school jumper/new PE hoodie).
