

## LANGTOFT PRIMARY SCHOOL FRIDAY BULLETIN

31 March 2022

### YEAR 5 RESIDENTIAL

Year 5 have had an amazing experience on their residential to Ironbridge, enjoying a sun-soaked picnic alongside the bridge itself before exploring the Museum of Iron and the science museum, Enginuity. Their day at Blists Hill was a true eye opener of what late Victorian daily life was like. The Victorian school workshop enabled the children to step back in time; they now know how quiet they truly can be when working in class! The poor left-handed children had a shock when they were told to write with their right hand. As a contrast, they enjoyed a sing along in the pub before exploring the village further. All in all, a marvellous time was had by everyone.

### GOLF COMPETITION

Children from Year 3 and 4 took part in a primary schools golf competition in Deeping on Wednesday run by the secondary school sports leaders. Throughout the morning, our two teams rotated around different stations, learning and practising different golf skills. Our teams did remarkably well against the 7 schools competing, being placed 2<sup>nd</sup> and 5<sup>th</sup>.
