OPAL Update

It's been a rather wet and windy half term and we've adapted our OPAL play to accommodate this.

We've purchased new sports play equipment to be used at lunchtime and have introduced water play and outdoor painting.

The children are loving the different wheeled play, are using the cable drums in creative ways and have built some very study dens to protect them from the weather.

FOLS have very kindly purchased tuff trays which we will be setting up with a variety of sensory play and arts and crafts.

We would love to collect some garden furniture, large barrels, extra-large piping, guttering, barriers, cones, strong pallets and supermarket bread trolleys. If you, or someone you know, works for a company who can support with any of these items, please do get in touch.

Wellies and Spare Clothes

Please do ensure your child has wellies/outdoor shoes in school so they are able to access all of the school grounds as we have lots set out on both the playground and field. We would also appreciate you sending in a spare pair of socks and jogging bottoms/leggings to keep in school in case your child needs to change. If you have any items your child has grown out of, please consider donating to us to keep in our welly/clothing library.

“To ensure that every child has an amazing playtime everyday with no exceptions” (OPAL)

This is what our lunch times look like in the Winter...
