

Dear Parent/Carer

PARENTMAIL PMX

Reliable communication between home and school is key to every family feeling involved and 'in-the-know' about what is going in our school. To achieve this, we use a service called ParentMail PMX.

ParentMail PMX will be beneficial to you because:

- Messages will get to you reliably;
- we can send messages directly to mums and dads at the same time and to multiple accounts;
- you will quickly know about important or urgent messages;
- you can download the Parentmail PMX app onto your device for easy access

To register your child on ParentMail we need to collect your email addresses and mobile numbers. To do this, we ask you to complete the form overleaf and return it to us. Once we have set up your child on the ParentMail system, we will send you an activation code to complete the process.

Once you have completed the registered process, email messages will be sent from <u>https://pmx.parentmail.co.uk</u>. Please add this address to your email address books (or approved sender list) to prevent messages from being blocked by your SPAM/JUNK filters.

Please be assured that ParentMail is registered with the Data Protection Registrar and guarantees that all information you provide will be kept private and will not be passed on to any other organisation. ParentMail's terms and conditions of use can be found at https://www.parentmail.co.uk/community-terms-and-conditions/

Yours sincerely

Mrs B Wood
